The Stylus DJ Awards is Canada's first nationwide DJ awards show and Edmonton's Kwake, who can be heard live weekdays on 91.7 FM The Bounce, alongside Jonny Staub from 6 pm - 7 pm, has racked up two nominations (Radio Mixshow DJ of the Year and Edmonton DJ of the Year). Kwake will demonstrate how to mix and scratch. A nomination pre-party is taking place later this evening to celebrate Edmonton's top five nominees, including: Kwake, Bomb Squad (Bomba, Lyan Fist, Killa B Bobby), Harman B, Shortround and Spincycle. The Stylus DJ Awards, which are taking place in Toronto on May 29th, were created to acknowledge the achievements of DJs, musicians and record labels, as well as raise awareness of the dynamic urban music scene in Canada and worldwide. This event will pay tribute to top urban DJs for their strong influence on Canada's music and entertainment industry, and for their contribution to pop culture. DJ Kwake and DJ Harman B came on to give us a little sample of some of their skills.
